

END USER LICENSE AGREEMENT

Digital content, tools and access

Updated September 5, 2026. Read together with the other Orderflow Haus legal policies.

IMPORTANT - PLEASE READ CAREFULLY

This End User License Agreement ('EULA' or 'Agreement') is a legally binding contract between you ('User,' 'you,' or 'your') and Orderflow Haus, operated by xJMacD ('Licensor,' 'we,' 'us,' or 'our'). This Agreement governs your access to and use of all digital products, services, content, tools, indicators, trading bots, educational materials, and community resources made available through Orderflow Haus via Whop, Discord, or any other platform through which our services are delivered (collectively, the 'Services').

BY JOINING OUR WHOP PAGE, SUBSCRIBING TO ANY PLAN, ACCESSING OUR DISCORD SERVER, OR OTHERWISE USING THE SERVICES, YOU ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTOOD, AND AGREE TO BE LEGALLY BOUND BY THIS EULA IN ITS ENTIRETY. If you do not agree to these terms, you must immediately cease use of the Services and cancel any active subscription.

This EULA should be read alongside our Terms and Conditions, Return and Refund Policy, and Privacy Policy, each of which is incorporated herein by reference and forms part of the complete agreement between you and Orderflow Haus.

ELIGIBILITY

By accepting this EULA, you represent and warrant that:

- You are at least eighteen (18) years of age, or the age of legal majority in your jurisdiction if higher.
- You have the legal capacity and authority to enter into a binding agreement.
- Your use of the Services does not violate any applicable law or regulation in your jurisdiction.
- You are not located in a country subject to a U.S. government embargo or designated as a 'terrorist-supporting' country, and you are not listed on any U.S. government list of prohibited or restricted parties.

If you are accepting this EULA on behalf of a legal entity, you represent that you have authority to bind that entity to these terms, and references to 'you' shall apply to that entity.

GRANT OF LICENSE

Subject to your compliance with this EULA and payment of all applicable subscription fees, Orderflow Haus hereby grants you a limited, non-exclusive, non-transferable, non-sublicensable, revocable license to:

- Access and use the Services solely for your own personal, non-commercial educational and informational purposes.
- View, interact with, and engage with the content, indicators, tools, and community resources made available to you within your subscription tier.
- Access and use any trading indicators, bots, or scripts provided as part of your subscription solely for personal use on supported platforms, subject to the restrictions set forth in this Agreement.

This license does not include any right to copy, reproduce, modify, distribute, sublicense, sell, resell, publicly display, publicly perform, transmit, or create derivative works of any portion of the Services or content, except as expressly permitted in writing by Orderflow Haus. All rights not expressly granted herein are reserved by Orderflow Haus.

INTELLECTUAL PROPERTY OWNERSHIP

All content, materials, tools, indicators, scripts, trading bots, strategies, educational resources, branding, trademarks, trade names, logos, and other intellectual property made available through the Services ('Proprietary Content') are the sole and exclusive property of Orderflow Haus and xJMacD, or are used under license. Nothing in this EULA transfers any ownership interest in any Proprietary Content to you.

Your subscription grants you a limited license to access and use Proprietary Content as set forth herein. You do not acquire any ownership rights by virtue of accessing or using the Services. Any unauthorized use of Proprietary Content constitutes an infringement of our intellectual property rights and may result in civil and criminal liability.

Any feedback, suggestions, ideas, or improvements you voluntarily provide regarding the Services may be used by Orderflow Haus without restriction or compensation to you, and you hereby assign to Orderflow Haus all rights in such submissions.

RESTRICTIONS ON USE

You expressly agree that you will not, directly or indirectly:

- Copy, reproduce, distribute, republish, upload, post, display, transmit, or sell any Proprietary Content in any form or by any means without prior written consent from Orderflow Haus.
- Share, resell, sublicense, or otherwise transfer your account credentials, subscription access, or any content received through the Services to any third party.
- Screenshot, record, screen-capture, or otherwise reproduce proprietary trade ideas, strategies, indicator outputs, or educational content for redistribution or commercial use.

- Reverse engineer, decompile, disassemble, decode, adapt, or attempt to derive the source code of any trading indicator, script, bot, or software provided as part of the Services.
- Use the Services or any content derived therefrom to develop, train, or improve any competing product, service, algorithm, or artificial intelligence system.
- Use automated tools, bots, scrapers, or scripts to access, harvest, or extract content from our Discord server or Whop page without express written authorization.
- Engage in any conduct that disrupts, interferes with, or impairs the functionality, security, or integrity of the Services or the experience of other members.
- Use the Services to engage in any fraudulent, misleading, unlawful, defamatory, harassing, abusive, or otherwise harmful activity.
- Circumvent, disable, or otherwise interfere with any security features, access controls, or usage restrictions implemented in connection with the Services.
- Create multiple accounts for the purpose of evading suspension or a ban.

Violation of any restriction set forth in this section constitutes a material breach of this EULA and may result in immediate termination of your license and access without refund, in addition to any other remedies available to Orderflow Haus at law or in equity.

SUBSCRIPTION, FEES, AND PAYMENT

Access may be provided through a free community option, a recurring subscription, or a one-time purchase, as stated in the relevant product description and checkout. Recurring charges apply only to plans identified as recurring at checkout. Subscription fees, billing cycles, and available plans are as listed on our Whop page at the time of purchase and are subject to change with reasonable notice. By initiating or continuing a subscription, you authorize Orderflow Haus and our payment processors to charge your designated payment method on a recurring basis for the applicable subscription fee.

All fees are stated in U.S. dollars unless otherwise indicated. You are responsible for any applicable taxes, duties, or charges imposed by your jurisdiction in connection with your subscription. Failure to maintain a valid payment method on file may result in suspension or termination of your access to the Services.

ALL SALES ARE FINAL, except where a refund, cancellation, reversal, or other remedy is required by applicable law, card-network rules, or Whop's applicable policies and obligations. This policy does not limit non-waivable consumer rights or legitimate payment-dispute rights. Please refer to our Return and Refund Policy for cancellation procedures and applicable exceptions. The free community option is separate from paid products and does not automatically convert into a paid subscription.

TRADING INDICATORS, BOTS, AND TOOLS

Any trading indicators, Pine Script tools, algorithmic scripts, or trading bots ('Trading Tools') made available through the Services are provided strictly under the license terms of this EULA and are subject to the following additional conditions:

- Trading Tools are licensed for your personal, non-commercial use only on supported platforms (e.g., TradingView).

You may not share, distribute, publish, sell, or transfer Trading Tools or any derivative thereof to any third party.

- Trading Tools are provided 'as is' without warranty of any kind. Their performance is subject to market conditions, platform limitations, and other external factors entirely beyond our control.
- Past performance of any Trading Tool is not indicative of future results. No representation is made that any Trading Tool will generate profits or prevent losses.
- You are solely responsible for all trading decisions made in connection with any Trading Tool. Orderflow Haus assumes no liability for any financial losses arising from your use of or reliance on any Trading Tool.
- Orderflow Haus reserves the right to modify, update, deprecate, or discontinue any Trading Tool at any time without notice and without liability to you.

DISCLAIMER OF WARRANTIES

THE SERVICES, PROPRIETARY CONTENT, AND TRADING TOOLS ARE PROVIDED ON AN 'AS IS' AND 'AS AVAILABLE' BASIS WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ORDERFLOW HAUS EXPRESSLY DISCLAIMS ALL WARRANTIES, INCLUDING BUT NOT LIMITED TO:

- Any implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement.
- Any warranty that the Services will be uninterrupted, error-free, secure, or free of viruses or other harmful components.
- Any warranty regarding the accuracy, completeness, timeliness, or reliability of any content, trade ideas, strategies, or information provided through the Services.
- Any warranty that the Services will meet your individual requirements or expectations.

Some jurisdictions do not allow the exclusion of implied warranties. In such jurisdictions, the above exclusions apply to the maximum extent permitted by applicable law.

LIMITATION OF LIABILITY

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL ORDERFLOW HAUS, XJMACD, OR THEIR RESPECTIVE AFFILIATES, MODERATORS, AGENTS, OR LICENSORS BE LIABLE TO YOU FOR ANY:

- Indirect, incidental, special, consequential, punitive, or exemplary damages, including but not limited to loss of profits, loss of data, loss of goodwill, or trading losses, even if advised of the possibility of such damages.
- Direct damages in excess of the total subscription fees paid by you to Orderflow Haus in the three (3) month period immediately preceding the event giving rise to the claim.

These limitations apply regardless of the legal theory under which the claim is brought - whether in contract, tort (including negligence), strict liability, or otherwise - and even if Orderflow Haus has been advised of the possibility of such damages.

Nothing in this EULA excludes or limits liability for fraud, fraudulent misrepresentation, death or personal injury caused by gross negligence, or any other liability that cannot be excluded or limited under applicable law.

INDEMNIFICATION

You agree to indemnify, defend, and hold harmless Orderflow Haus, xJMacD, and their respective affiliates, moderators, agents, and successors from and against any and all claims, liabilities, damages, losses, costs, and expenses (including reasonable legal fees) arising out of or relating to:

- Your breach of this EULA or any other Orderflow Haus policy.
- Your use or misuse of the Services or any Proprietary Content.
- Your violation of any applicable law, regulation, or third-party right, including intellectual property rights.
- Any trading or investment decisions made by you in connection with or as a result of your use of the Services.
- Any content or information you submit, post, or transmit through our platforms.

TERM AND TERMINATION

This EULA is effective from the date you first access the Services and continues for the duration of your authorized access, unless earlier terminated in accordance with its terms.

Termination by You

You may terminate this EULA at any time by cancelling your subscription through your Whop account dashboard and ceasing all use of the Services. Termination does not entitle you to a refund of any fees paid, in accordance with our Return and Refund Policy.

Termination by Orderflow Haus

Orderflow Haus may suspend or terminate your access to the Services immediately and without prior notice if:

- You breach any provision of this EULA, our Terms and Conditions, or any other applicable policy.
- You engage in fraudulent, abusive, disruptive, or unlawful conduct in connection with the Services.
- You initiate a fraudulent or unjustified chargeback or payment dispute.
- We are required to do so by applicable law or a court order.
- We discontinue the Services, in whole or in part, for any reason.

Effect of Termination

Upon termination of this EULA for any reason: (i) all licenses granted to you hereunder immediately cease; (ii) you must immediately cease all use of the Services and delete any Proprietary Content in your possession; (iii) any accrued payment obligations survive termination; and (iv) provisions of this EULA that by their nature should survive termination shall survive, including but not limited to Sections on Intellectual Property, Restrictions on Use, Disclaimer of Warranties, Limitation of Liability, Indemnification, Governing Law, and Dispute Resolution.

GOVERNING LAW AND DISPUTE RESOLUTION

This EULA shall be governed by and construed in accordance with the laws of the United States and the state in which Orderflow Haus is principally operated, without regard to conflict of law principles.

Informal Resolution

Before initiating any formal dispute proceeding, you agree to first contact Orderflow Haus through our official channels and attempt to resolve the dispute informally in good faith. Most concerns can be resolved quickly and amicably through direct communication.

Binding Arbitration

If informal resolution is not achieved within thirty (30) days, any dispute, claim, or controversy arising out of or relating to this EULA or the Services shall be resolved exclusively through final and binding arbitration administered under the rules of a mutually agreed arbitration body. The arbitration shall be conducted on an individual basis and shall not be consolidated with any other arbitration or dispute.

Class Action Waiver

YOU AND ORDERFLOW HAUS EACH WAIVE THE RIGHT TO A TRIAL BY JURY AND TO PARTICIPATE IN ANY CLASS ACTION, COLLECTIVE ACTION, OR REPRESENTATIVE PROCEEDING IN CONNECTION WITH ANY DISPUTE ARISING UNDER THIS EULA.

EEA and UK Users

Nothing in this Section shall deprive users in the European Economic Area or United Kingdom of any mandatory consumer protection rights afforded by applicable law, including the right to bring claims before the courts of their country of residence where required by law.

CHANGES TO THIS EULA

Orderflow Haus reserves the right to modify this EULA at any time. We will provide notice of material changes by posting an updated version to our Whop page or Discord server, with a minimum of fourteen (14) days' notice prior to the changes taking effect where practicable. Your continued use of the Services following the effective date of any modification constitutes your acceptance of the revised EULA. If you do not agree to the revised terms, you must cancel your subscription and cease use of the Services before the changes take effect.

SEVERABILITY AND WAIVER

If any provision of this EULA is found by a court of competent jurisdiction to be invalid, illegal, or unenforceable, such provision shall be modified to the minimum extent necessary to make it enforceable, and the remaining provisions shall continue in full force and effect. The failure of Orderflow Haus to enforce any right or provision of this EULA shall not constitute a waiver of that right or provision unless acknowledged and agreed to in writing.

ENTIRE AGREEMENT

This EULA, together with our Terms and Conditions, Return and Refund Policy, and Privacy Policy, constitutes the entire agreement between you and Orderflow Haus with respect to the subject matter hereof and supersedes all prior or contemporaneous understandings, representations, or agreements, whether oral or written, relating to the Services. In the event of any conflict between this EULA and any other Orderflow Haus policy, this EULA shall govern with respect to licensing matters.

CONTACT

For questions or concerns regarding this EULA, please contact Orderflow Haus through the official Whop messaging system or the designated support channel within the Orderflow Haus Discord server. Requests submitted through unofficial or unverified channels may not be acknowledged.

MANDATORY RIGHTS

Refund, termination, liability, and dispute provisions in this EULA are subject to non-waivable rights under applicable law and Whop's applicable payment policies. A good-faith payment dispute does not by itself constitute a breach.
