

TERMS & CONDITIONS

Educational services and community terms

Updated September 5, 2026. Read together with the other Orderflow Haus legal policies.

SCOPE AND RELATED POLICIES

These Terms and Conditions apply to Orderflow Haus educational services and digital resources made available through orderflowhaus.com, Whop, and the Orderflow Haus Discord community. References to server content also include corresponding educational content supplied through these services. Read these Terms together with our Return and Refund Policy, Privacy Policy, and End User License Agreement.

PAYMENTS AND REFUND POLICY

ALL SALES ARE FINAL, except where a refund, cancellation, reversal, or other remedy is required by applicable law, card-network rules, or Whop's applicable policies and obligations. This policy does not limit non-waivable consumer rights or legitimate payment-dispute rights.

Paid products may be sold as recurring subscriptions or one-time purchases, as clearly stated at checkout. Whop processes payments, including when its checkout is embedded on our website. The free community option is separate from paid products and does not automatically convert into a paid subscription. Cancel recurring subscriptions through your Whop account before the next renewal to stop future charges. See our Return and Refund Policy for the full cancellation and refund terms.
